PREVIOUS SERVICE PROJECTS

Deck the Halls: Deck the halls was an awesome event that took place the Sunday before homecoming week. Since there is an array of clubs at McKinney High School, each club signed up to decorate and promote their club in one hallway or an area of the school. Coming together on a Sunday afternoon and decorating posters was enjoyable because it built unity in our club, and it also brought out the creative side of people.

Nursing home: Also known as Sen-Pal Sunday, we gathered at one of the local nursing homes and had an amazing time. It was an incredible opportunity to hear people's stories and to see what was currently going on in their lives as well. The senior citizens loved playing bowling, scrabble, checkers with us and we enjoyed keeping them company as well!

ZTA Superheroes 5K/1K Fun Run: Waking up on a cold Saturday morning wasn't enjoyable at first, but as the sun rose, you could start to envision that volunteering was going to be adventurous. There was something about seeing people in costumes and running at the same time that inspired us to embrace the cold and to cheer on the runners. After collectively gathering 24 hours, you could say it was a successful morning!

The people have spoken!

During a meeting, students designed and voted on either T-Shirt A or T-Shirt B

T-Shirt A is the one on notebook paper, and it was designed by Gracie Morrison.

T-Shirt B is the one with the lion on the Front, and it was designed by Edriana Jones.

THE STATS

4.8%

Voted for T-shirt A

5.44%

Voted for T-shirt B

What does that mean?

That means T Shirt B is the official T-Shirt for the 2013-2014 school year! Congrats!

Tram Tran: Hello lovelies!! I'm Tram Tran, one of your Key Club Co-Presidents! I lead meetings and plan everything for Key Club with my co-president! I love being a part of the Kiwanis family! Aside from Key Club, I am the vice president of Club 2412, a member Model UN and Student Council, and also the vice president of Food Club. I also DANCE! :D My obsession is anything green tea, ALL FOODS, and loud music! I am often very hyper and I lack a lot sleep. Otherwise, I am a very dedicated, loyal, and straightforward person. I also have an aggressive and assertive side when handling important things. Also, MARVEL COMICS WILL ALWAYS HAVE A SPECIAL PLACE IN MY HEART! ;)

Roxana Farokhnia: Hi everyone! I'm Roxana Farokhnia, the 2013-2014 MHS Editor. My responsibility is to send in monthly articles to the main Key Club district so they can see how our club is working together in different service projects and activities around the area and to earn our club points. I'm also Persian, Canadian, and American...in that order, all at the same time. My favorite things are laughing, reading, biking, and Nacho Libre. I am so excited to see what our first year of Key Club brings for us!

Patricia Alquiza: My name is Patricia Alquiza and I am the McKinney High School Key Club Secretary. As the secretary, I keep track of everything that the club does, from meetings to volunteer opportunities to socials. I also keep track of club members' hour documentation forms that record the volunteer work for one activity. Aside from Key Club, I enjoy playing tennis, practicing piano and reading in my spare time. During the first year of MHS Key Club, I hope that we can grow together as a club and have an awesome, successful year ahead of us.

Isabel Kilroy: Hi everyone! My name is Isabel Kilroy and I am the co-president of MHS Key Club. I truly love everything about the Kiwanis family, and I look forward to the amazing things we are going to achieve! On a more personal note, I enjoy playing tennis and cello for our school (MHS Lions and Orchestra represent!), my favorite movies are Studio Ghibli films (how can you resist Totoro?!), and, of course, I love food, even if it's just staring at food on the Internet. Anyway, just know that you have a friend in me. :)

Ayleen Arteaga: Hey everyone! I'm Ayleen Arteaga, and I am the Vice Editor for McKinney High School Key Club. My role includes making the newsletter you are reading right now! I'm also very involved with my church, and I am the treasurer for robotics. I love Taylor Swift, Jesus, food and jokes! :) I hope you enjoy Key Club as much as I do!

Gracie Morrison: Hey Guys! I'm Gracie Morrison and this year's Key Club treasurer. I'm in choir, theater, and really involved at my church. My job as treasurer is to keep track of our budget and monitor transactions within our club.

Zach Vernier: As a historian I take pictures of the members and send them out to the officers and the media.
